Warm Market Marketing -

There are two different groups of people in the Network Marketing Industry. The one group believes everything should be done online using attraction marketing. The other group believes you should also contact your warm market.

Warm Market Marketing

Manual Lead Loader
is part of the Automated Database Builder
Add your warm market leads here.
You can only add 10 leads per day.
These leads must give you permission.
By default, these leads will be loaded in your prospect list.
If you load a lead that has a bad email.... that lead will get placed in your bad email list.
IF YOU CONSISTENTLY LOAD BAD LEADS WE WILL NOT TOLERATE BAD LOADS.

A close-up photograph of a metal safe door. The door is dark grey with several silver-colored bolts arranged in a grid. In the center, there is a circular dial mechanism with two horizontal bars crossing it. Overlaid on this scene is a large, bold, red stamp with a black outline that reads "SECRET WEAPON". The stamp is slightly tilted and has a distressed, ink-like texture.
