Instead of pitching a product or building a company

*We're building a team of
Individuals who are cooperatively
working together to create a Better
Life through buying power*

“CROWD CLOUT”

A 3D illustration of a road leading to a large dollar sign. The road is dark grey asphalt with a yellow dashed line down the center, and it tapers to a point at the bottom. At the top of the road is a large, dark grey dollar sign (\$). The text is overlaid on the road and dollar sign.

*The bigger our team gets, the more buying power we'll have which allows us to get more products at a better price...
The result... Everyone WINS!*

**BUYING
POWER!**

Nugget:

Your success in Network Marketing will be based on your ability to build teams of people who are willing to buy stuff... not on your ability to sell.

The people who know how to build teams make the most \$\$\$

*iCB's primary goal is to teach
people how to build large teams*

*Once you know how to build a
large team... you can make
money in any company*

Nugget:

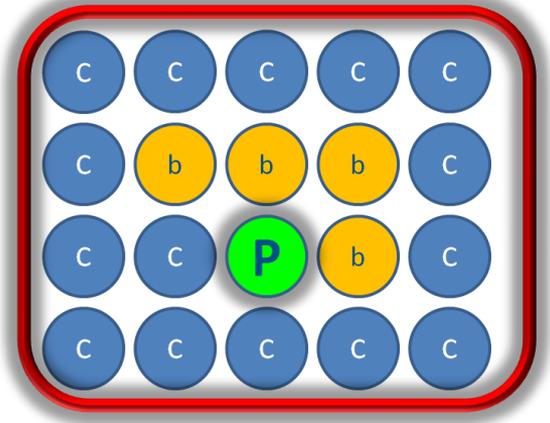

Large organizations are made up of small groups.

***The people who know how to
teach people how to build
teams of 15 to 20 people
quickly make the most money.***

*Know the Truth and
the Truth will set you FREE*

The Truth

In a group of 20...

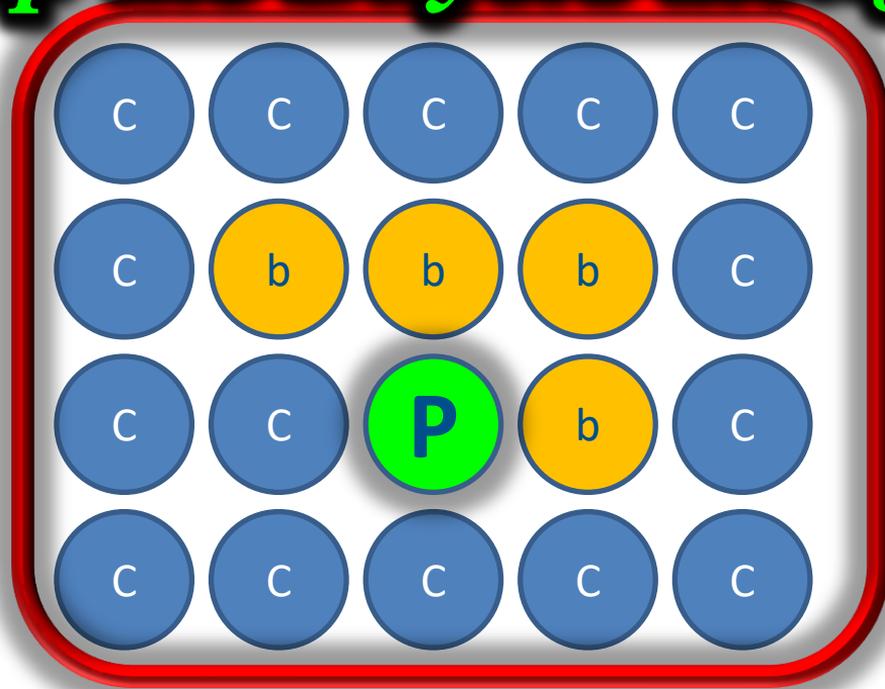

Producer *1 = 65%* *of your volume*

Buyers *4 = 15%* *of your volume*

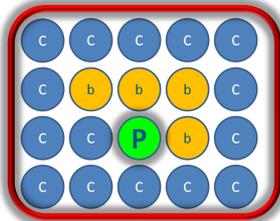

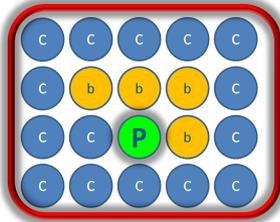

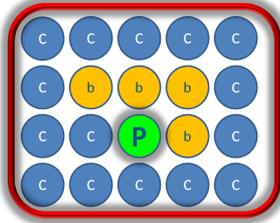

Consumers *15 = 20%* *of your volume*

*Look for the Producers
Signing up the Buyers along the way*

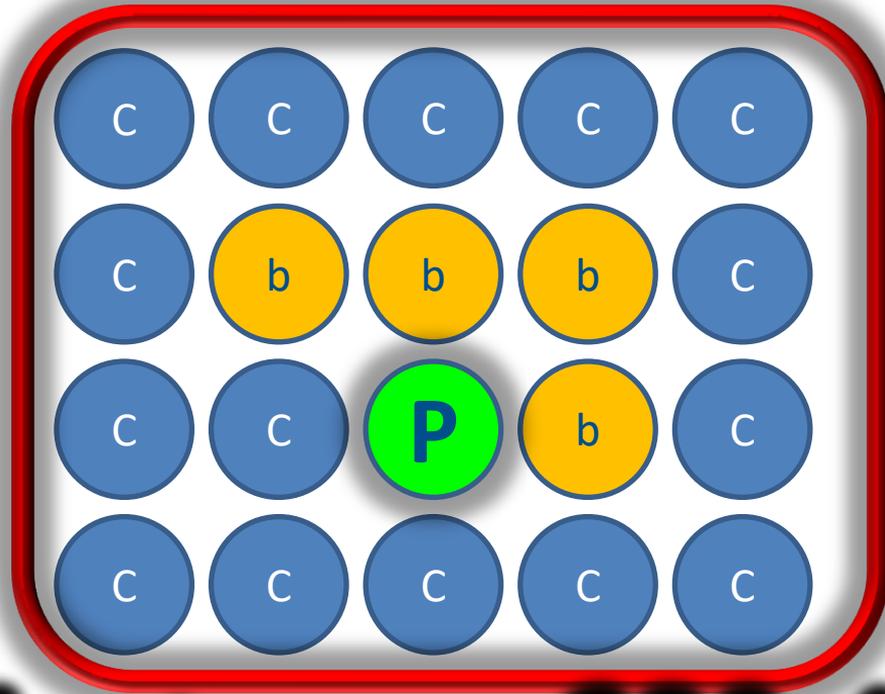

Meeting the needs of the consumers

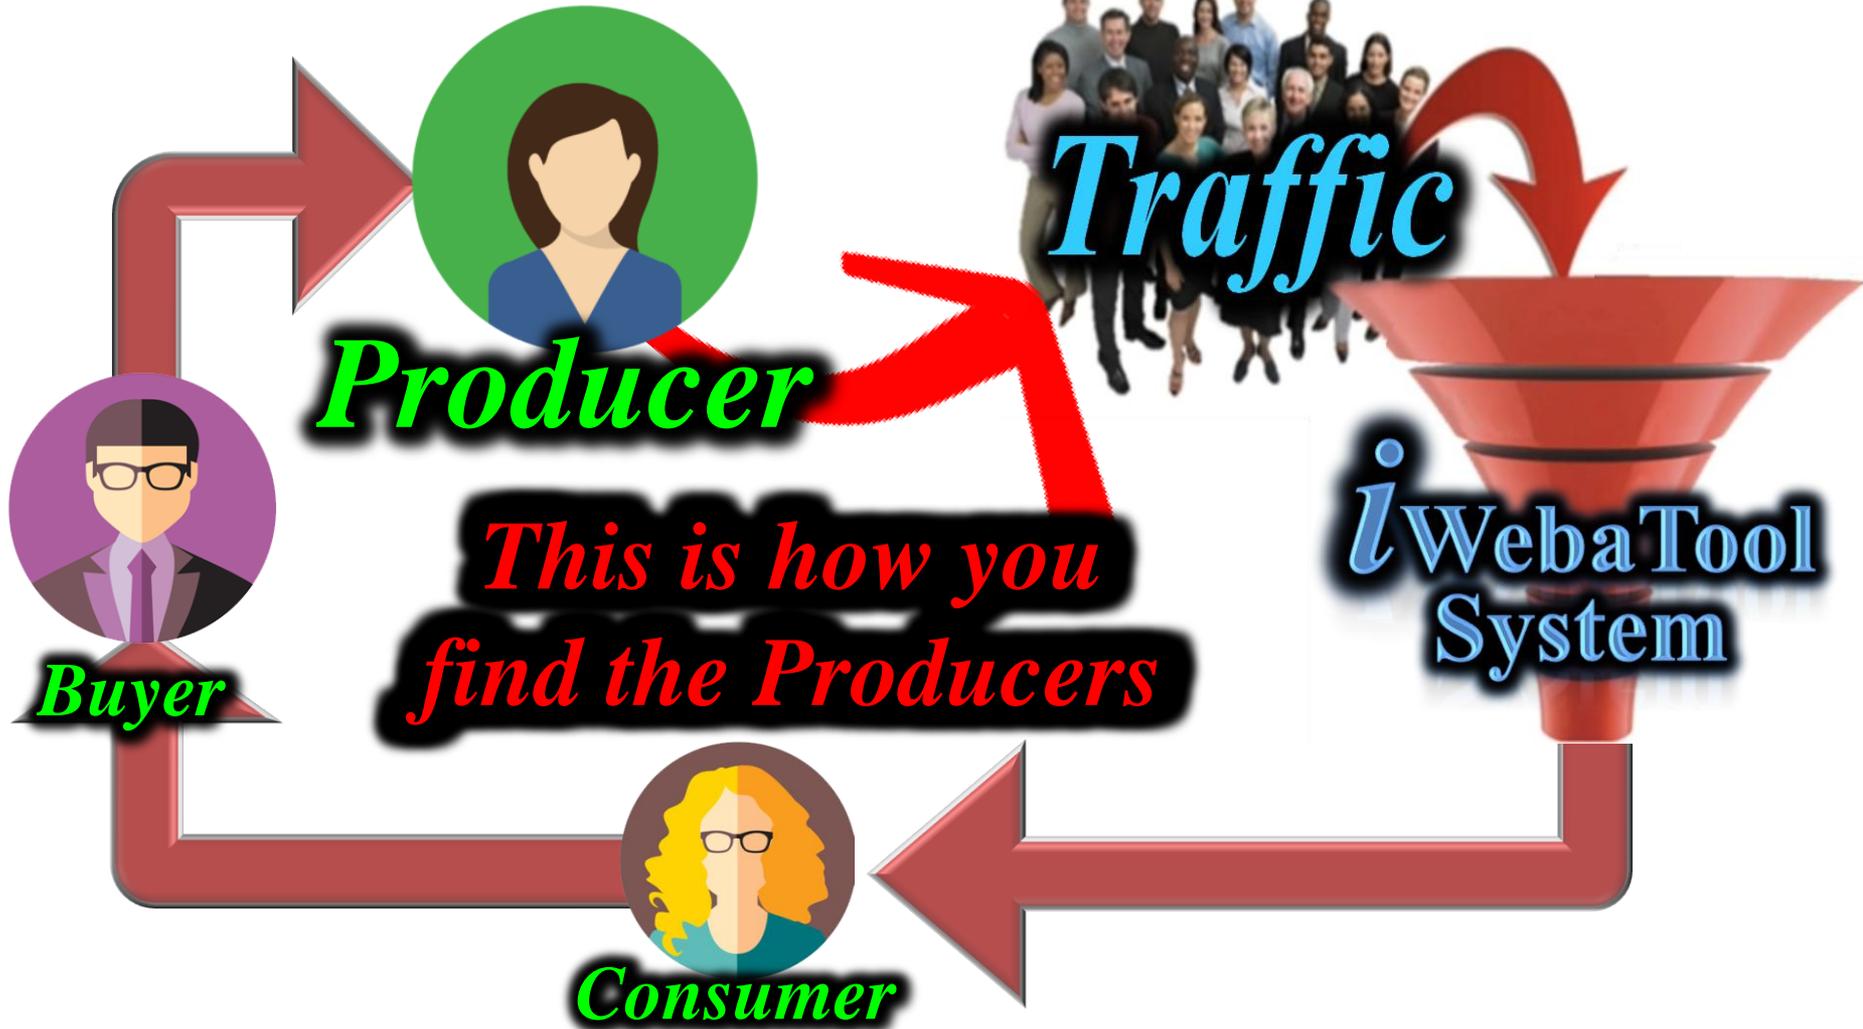

Depth is the Key to Volume

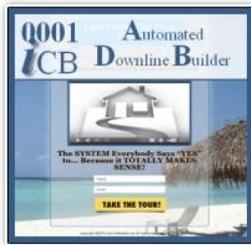

This is what we have to do...

Build a team of 20 ASAP!
